LONG JACKETS

Product Description

The Columbia Suttle Mountain Long Insulated Jacket combines stylish looks with functional technology to keep you warm and dry. Made for women, this jacket features a water resistant shell, insulated with warm synthetic down, along with a faux fur trimmed hood, you'll actually enjoy heading out into the harsh elements with this jacket. The quality assembly, construction, and stitching infused into this jacket will instill a sense of confidence when the weather turns super blustery and cold. This versatile parka-style jacket features a water repellent shell, that infuses 100% synthetic down, and is lined with our signature Omni-HEAT thermal reflective lining — delivering winter performance you'll truly enjoy on any frigid outing. It comes with an adjustable sherpa-lined storm hood, with its own removable and stowable faux fur trim. Now you can tailor your cozy on the go. The two-way adjustable center-front zipper allows complete adjustability for improved range of motion and temperature control, while a zippered chest pocket, adjustable cuffs, and two hand and cargo pockets will keep your essentials secure and dry. This women's winter coat is offered in multiple colors and sizes. Available in extended sizing. Active and Regular Fit. To ensure the size you choose is right, utilize our sizing chart and the following measureme

To ensure the size you choose is right, utilize our sizing chart and the following measurement instructions: For the sleeves, start at the center back of your neck and measure across the shoulder and down to the sleeve. If you come up with a partial number, round up to the next even number. For the chest, measure at the fullest part of the chest, under the armpits and over the shoulder blades, keeping the tape measure firm and level.
